FREE ONLINE CATHOLIC PROGRAMS

It is sad to note that many adults nowadays do not know much or do not bother to learn more about Catholic teachings and practices. For many, the only thing they remember are those from the catechism program they attended last when they were kids or teenagers. Thus, the faith they impart to their own children is insufficient. To address this, we invite everyone to visit FORMED.ORG, an online subscription Catholic Program. It contains various faith formation videos, programs, movies, and even cartoons for the little ones. The Parish already paid for the subscription. To access, simply type FORMED.ORG, enter the parish name, enter the zip code, provide your email, and you may now enjoy the different faith enriching programs they offer.
